

Weatherization Assistance Program Administrative Training

Acronyms, Abbreviations, and Terms

ACPU – Average Cost per Unit	Grantee – Contracted by DOE to administer the WAP to subgrantees	PY – Program Year
ARRA – American Recovery and Reinvestment Act	HEP – Home Energy Professionals	QA – Quality Assurance
ASHRAE – American Society of Heating, Refrigerating, and Air-Conditioning Engineers	H&S – Health & Safety	QCI – Quality Control Inspector
A/V – Audio and Visual	HHS – U.S. Department of Health and Human Services	RFI – Request for Information
CEU – Continuing Education Unit	HR – Human Resources	RFP – Request for Proposals
CFL – Compact Fluorescent Light	HUD – U.S. Department of Housing and Urban Development	RFQ – Request for Qualifications
CFM – Cubic Feet per Minute, measure of air flow	HVAC – Heating, Ventilation and Air Conditioning	RIT – Retrofit Installer Technician
CO – carbon monoxide	IAQ – Indoor Air Quality	SAM – System for Award Management
CFR – Code of Federal Regulations	IFB – Invitation for Bid	SEEPIA – State Energy Efficiency Program Improvement Act of 1990
CPI – Consumer Price Index	IRM – Incidental Repair Measure	SERC – Sustainable Energy Resources for Consumer Grants
CPU – Cost per Unit	LED – Light Emitting Diode	SIR – Savings-to-Investment Ratio
CR – Continuing Resolution	LEL – Lower Explosive Limit	SNAP – Supplemental Nutrition Assistance Program
CRM – Client Relationship Management	LIHEAP – Low Income Home Energy Assistance Program	SSA – Social Security Administration
Cu. ft. – cubic feet	MHEA – Manufactured Home Energy Audit	Subgrantee – Local entity providing Weatherization services
DOE – U.S. Department of Energy	NEAT – National Energy Audit Tool	SWS – Standard Work Specifications
DWH – Domestic Water Heater	NEPA – National Environmental Policy Act	T&TA – Training and Technical Assistance
ECM – Energy Conservation Measure	MF – Multifamily	USDA – U.S. Department of Agriculture
EERE – Energy Efficiency & Renewable Energy	OMB – Office of Management and Budget	WAP – Weatherization Assistance Program
EIA – Energy Information Administration	OSHA – Occupational Safety and Health Administration	WPN – Weatherization Program Notice
EPAct – Energy Policy Act of 2005	Pa – Pascal, measure of pressure	WX – Weatherization
F&A – Facilities and Administrative	PAGE – Performance and Accountability for Grants in Energy	
FPL – Federal Poverty Level		
GAO – General Accounting Office
